## A Legacy of Proclamation

Dear Every Home for Christ Partner,

As we near our 80th anniversary of ministry, we praise the Lord for faithful partners who have joined us in our efforts to fulfill the Great Commission.

You may have learned about us through a radio or television broadcast, or a presentation at your church, then responded with your first gift. Today, we are introducing our ministry to people digitally through our website, social media posts, and videos in an effort to gather new generations of partners who will support the transformative work of the gospel through the outreach of Every Home for Christ.

Your faithfulness in partnership is an indispensable element of the work we do because ***you have been there with us*** in sharing the gospel to everyone – everywhere!

With gratitude, we are happy to present a few ways you can establish a personal legacy that will enable gospel outreach by Every Home for Christ to continue for generations to come.

## A Legacy Fulfilled: Transform Your Giving

**Planned gifts offer you benefits now and in the future.**

Most of our partners are accustomed to supporting Every Home for Christ through cash gifts. However, gift planning offers options that endure through one’s lifetime and beyond.

### Legacy Planned

When you supplement your annual gift with a bequest or other type of planned gift, your legacy continues the good works you began with us many years ago.

### Choose What’s Best for You

A diverse selection of types of gifts allows you to combine tax benefits and new income streams best suited to your family’s needs.

### Legacy Fulfilled

You are partnering with us to share the gospel today and for future generations, helping to fulfill the Great Commission.

# Types of Planned Gifts:

**Wills and Trusts** are foundational ways to support Every Home for Christ through your estate plan.

**Beneficiary Designations** of IRA plans, securities and other assets is a significant, but easy way to leave a legacy gift after your life.

**Gifts from IRA Plans** can positively impact our ministry while reducing your income taxation.

**Stocks and Mutual Funds** can reduce capital gains taxes.

**Life Income Gifts** such as charitable gift annuities and charitable trusts provide a tax deduction and income today, while preserving a gift after your lifetime to Every Home for Christ.

**Gifts of Real Estate** are significant donations that may include appreciated property such as homes, vacation properties, undeveloped lands, farmland, ranches or commercial properties.

**Blended Gifts** provide you with a great opportunity to combine cash and non-cash gifts that are timed to suit you best whether it is now, over the next few years, or after death.

## Legacy of Proclamation in Action

You already make a difference for our mission. What if you could continue to make that difference every year for decades?

John began partnering with Every Home for Christ in 1975 when he heard Dick Eastman speak at his church and has given every year since. Recently, he shared with one of our gift officers why he has included us in his estate plans.

*“Every Home for Christ remains committed to sharing the gospel person to person. I believe it fulfills the Great Commission of Jesus – and by giving to support the outreach, I am a part of the exciting news of hundreds of thousands coming to faith in Christ every year.”*

*“I am concerned that many Christians do not understand the urgency of the Great Commission. They are too busy in their own personal lives and what that looks like today. They have no concept or intentionality about future generations.”*

Longtime partners like John – **and you** – are difficult to replace, today.

This is why we are asking you to consider including Every Home for Christ in your will, trust or as a beneficiary of a retirement plan. **Please contact us to explore how you may share the gospel for generations to come.**
